The Echo is published for the students of Jasper Place Composite High School, Edmonton, Alberta by the students of the Graphics Arts Classes as a student educational project.

ORIGIN OF SCHOOL CREST

In 1964, the **Highlights** and **Echo** jointly sponsored a survey of the Grade XII students, members of the first class to complete their high school in the first stage of the new Jasper Place Composite High School. The survey asked the students what they felt were the three words that best described the new school.

The words which appeared most frequently were Progress, Vigorousness and words and phrases denoting Tenacity. These, then, were selected as most appropriate to the spirit of Jasper Place Composite High.

The committee, spearheaded by Mr. Mathew, then consulted Dr. Goerzen who gave us the Latin translation for tenacity as **Pertinacia**, vigour as **Vigor**, and progress as **Progressio**. These words are incorporated in the banner line at the bottom of the crest.

Mr. Al. Oeming, owner of the Alberta Game Farm and one of the world's leading authorities on animals, was asked to supply us with the names of the animals which would best depict our chosen characteristics. In consultation with the University, Mr. Oeming gave us the Grizzly Bear for the word tenacity, the Beaver for industriousness (the Beaver is also a Canadian symbol), and the Whooping Crane as the animal showing great progress. When one stops to consider the habits of these animals and their characteristics, one can certainly see that they are excellent choices.

These three animals were to be mounted around a shield upon which were to appear symbols of the purpose of the school. The top of the shield bears the Book of Knowledge; the top right, the Lamp of Knowledge; the lower right the Academic side of our school, and the lower left the Vocational aspect of Jasper Place Composite High School. The Vocational aspect in this instance includes all the Technical subjects including Business Education.

It was the intention to mount the beaver on a crown, the crown to symbolize our past heritage and ties with Britain and our present association with the British Commonwealth of Nations. Permission to use the crown must come from the Queen. Through her agents this permission was sought. Unfortunately our request was refused. We therefore mounted the beaver on another symbol of scholastic achievement, the mortar board.

Around the outside as decoration we chose to place fronds. The official Alberta flower, the wild rose, may be seen at the bottom of the shield.

The colors chosen for this crest include the school colors of red, white and black. The other colors of yellow and brown were added to give the necessary coloring to complete the crest.

DEDICATION

This year the Echo has dedicated the yearbook to the staff and students of Jasper Place Composite High School.

Jasper Place School was built in 1963, the tower being added in 1971. Many of the staff have been here since the schools' opening.

Three or four years ago, as the case may be, we entered the doors of J.P., knees shaking, pupils dilated, clutching our timetables in clammy hands, praying we would find at least one of our classrooms. As we entered grade eleven we thought our time at J.P. would last forever, but now the end of our final year has rolled around. I don't think there is one graduating student who deep down can say he or she does not regret leaving the halls (and walls) of J.P.

Throughout our years here the teachers have been a constant source of help and advice. We hope that you all continue to guide the future students of J.P. in good health.

So, thank you Jasper Place, for all you have given us in our years here!

STUDENTS'S UNION

This year has been a special year for many of us, including those of us in the Students' Union. The Students Union activities in 1975-76 consisted of a few new events added to some of the more traditional ones. Some of the new innovations were the pumpkin-cutting contest in October (what artistry, but what a mess) and the Muk Luk Mardi Gras in February with the polar bear trot and the crowning of the Carnival King and Queen. Some other activities ran were Color Day, Penny Carnival, A.C.T. Telerama (in which, by the way, J.P. was awarded a plaque for donating the largest sum of money out of several high schools in Edmonton), Hee Haw Day, Eddy Awards, the Blood Donor Clinic, and a special banquet and dance run for the parents who assisted us at the dances.

Scott McConnell was the vice-chairperson of semester one and two this year. He contributed much of his time and ideas to the Students' Union. Dave Kauffman was the secretary-treasurer for the first semester and Kevin Smith was elected to this position for the second semester. The Students' Union helps many different clubs throughout J.P. with financial support and thanks to the efforts of Dave and Kevin, our books balanced.

I have really enjoyed acting as chairperson of the Students' Union for both the first and second semester. I have had the opportunity to work with, and to get to know, many of the students and teachers. I would like to give my thanks to the other members of the coordinating council who gave their time to plan and execute the many activities of the year. None of this would have been possible without the guiding hand of Mrs. Baker, our Students' Union advisor. Thank you Mrs. Baker! Even though extremely busy, Mr. Meyer, our principal, was always available to give advice and contributed much to the Students' Union. I'd hate to miss thanking all the others who have helped us throughout the year: the teaching staff, the office staff, the caretaking staff and the student body. Thank you all so much!

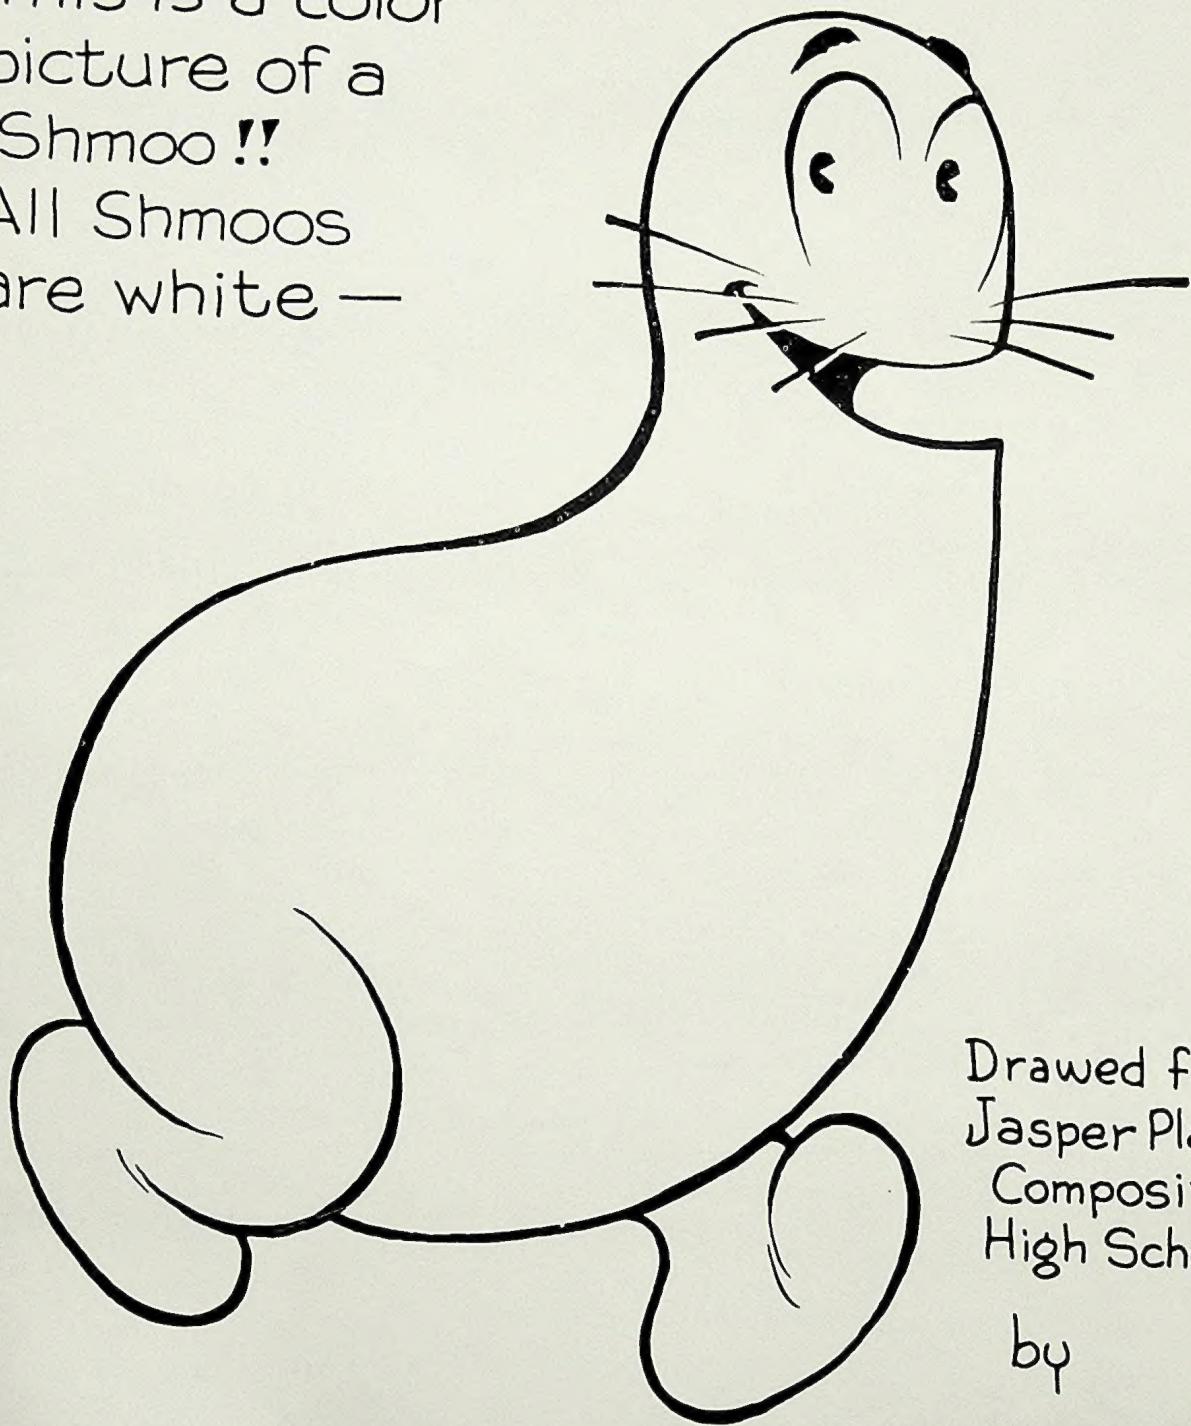

I have discovered that being involved in many school activities really gives meaning and enjoyment to my years at J.P. At J.P.C.H.S. there is no need to say "what will I do" but rather "which one of these activities shall I partake in?" As a grade ten freshman I entered J.P. seeing it as a large and impersonal building, but it wasn't long until I felt that this was "my" school. I've always been proud to say that my school is Jasper Place Composite High School. I'm going to miss you, J.P.!

To everyone, I wish good luck and much success in the future.

Sincerely,
Leslie Preston

PRINCIPAL'S MESSAGE

The Publication Board and all the students who have worked so hard all year with real dedication, are to be congratulated for this, their first Echo. I expect that the touch of the many students and staff who have contributed will be quite apparent.

Congratulations to all the members of the Senior Class for having reached this milestone. Thanks to all of you for having contributed to the life and climate of Jasper Place Composite High School. We are sad to see you go, but go you must. We wish you health, happiness, and a fair measure of success in all of your endeavours.

SENIOR CLASS

This year the Senior Class Night was held on the evening of Friday, June 11, 1976, at the Convention Inn South. The evening included a semi-formal Banquet and Dance with music performed by the "Capris". This memorable evening was planned and achieved by the hard work of the Senior Class Council with the assistance of Mr. Fysh, and other faculty members. The Theme of this year's Senior Class Night was "We Can Fly,,.

The students of Jasper Place Composite High School would like to extend a special thanks to those individuals who helped make the event possible.

It was morning, and . . .

We can lift ourselves out
of ignorance, we can find
ourselves as creatures of
excellence and intelligence
and skill. We can be free!

WE CAN FLY

If our friendship depends on things
like space and time, then when we
finally overcome space and time,
we've finally destroyed our own brotherhood!
But overcome space and all we have
left is here. Overcome time and all
we have left is forever.

Don't believe what your eyes are
telling you. All they show is
limitation. Look with your under-
standing, find out what you already
know, and you'll see the way to fly.

OUR RACE TO LEARN HAS JUST BEGUN!

This group originated at Jasper Place Composite High School in 1972 due to popular demand by students. There are approximately 40 students involved, with practices being held during class time, and during noon hour. Noon hour practices give those students not directly involved in the music program a chance to participate. In 1976, the Concert Choir, pictured above, produced two T.V. Specials for the CTV western network — one for Easter and one for Christmas, performed in six public concerts, sang special music for two church services and several community service projects.

This group, along with two chaperones, travelled to Paris and the Riviera during the spring break. All of the students were involved in the French program this year in all three grades, and found it a fascinating and rewarding way to practice their French. Tours of the Louvre, Monte Carlo and Monaco were included in the sightseeing activities. The trip was a rare opportunity each one will always remember.

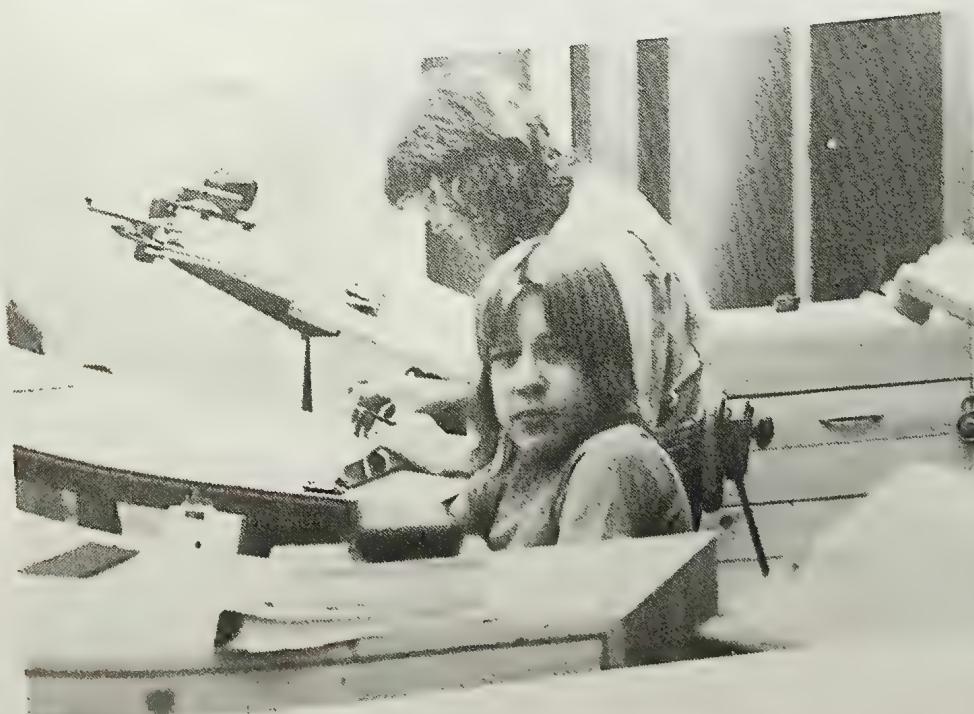

SCAVENGER HUNT

von Schilling's Class vs. Henderson's Class

To reincorporate school spirit, Mrs. von Schilling's second block Biology 30 Class, decided to have a scavenger hunt between her class and Mr. Henderson's second block Biology 30 class. Each class had to make up a list of 75 items obtainable within the Edmonton area. They then exchanged lists and were given a certain period of time to find as many items as possible. A judge was then brought in (Miss Schieddecker), and Mrs. von Schillings invincible class was declared the winner.

This picture above shows both classes with some of the items.

This year has been a first for J.P.'s Yearbook Echo. Up until this edition, Echo has been completely produced by Mr. Mathew and his Graphic Arts students, but this year a group of students along with a couple of teachers got together to produce the '75 - '76 edition of Echo.

They had no guidelines or instructions to follow. It was a totally new, and I must say, rewarding experience. Thank-you to all those people who showed up for every meeting and put so much time and effort into producing this yearbook. Thank you also to Mr. Mathew and his students who have printed and bound this yearbook, besides correcting all the many mistakes I'm sure we made! I hope you enjoy looking at it as much as we enjoyed making it.

The 1975 edition of the Jasper Place Rebel Senior Football team completed a good season, with a 4 - 3 win-loss record. The team was defeated in the city semi-final playoffs by the city champion Harry Ainlay squad. This was the final season for many "starting" Rebels; We wish them well. Next year the Senior Rebels will be joined by a Junior Rebel team. See you in the Bowl next fall!

SENIOR GIRLS' VOLLEYBALL

Our Senior Girls' Team had a rewarding season by placing first in their zone. After a valiant effort, our team lost out to McNally in the semi-finals of the city competition.

Front row (l. to r.) — Cathy Rachinsky, Shelly Betts, Jody Burrows, Debbie Olszowka

The Rebels opened their season in the annual CAPHER tournament. They went through the tourney undefeated and beat Bonnie Doon in the final. The team played well especially Rutherford Brown and Williams who all got on the All-Star team.

Then the regular season came and O'Leary nearly knocked the powerful rebels off in their first league game. The rebels were 4 and 0 at the Christmas break. They then took on the Klondike Classic tournament. The rebels were undefeated until the final. They played L.C.I. and unfortunately the Christmas turkey finally caught up to them. L.C.I. who had practiced all over the holiday were in too good of shape for the rebels to hang on. The rebels lost. There were no all-star teams but the rebels Rutherford, Brown and Williams would have been shoe-ins for all-stars.

The Rebels won two more league games then lost 4 to finish up the first half of the season 6 wins 4 losses and qualified them to go into the "A" division.

In the "A" division the Rebels won 8 and lost 2 and wound up in 1st place. On Feb. 5, 6, 7 the Rebels went to the Western Canada Tournament in B.C. and played their worst ball of the season and ended up placing 7th.

Next came the playoffs in which the Rebels record in the playoffs was unblemished as they went on to beat M. E. LaZerte in the City Final 45-43. The next weekend after the Cities were the Provincials and the Rebels won their first game and did not come ready to play for the second game and lost it. They lost their third game also but the Rebels had a pretty good season and wish to thank Coach Dick deKlerk for it all.

The girls' team had a successful season. The Rebels placed second in the league but lost by one point in the semi-finals. The first "Annual U of A Basketball Tournament for Girls" was one by Jasper Place. They also participated in a tournament in Lethbridge.

INTERSCHOOL BADMINTON TEAM

Our Interschool Badminton Team, coached by Mr. C. Williams, is relatively young and inexperienced but put in a good season and did Jasper Place proud.

In the men's singles, David Romalo represented Edmonton in the playoffs against Calgary.

INTERSCHOOL CURLING

Jasper Place continued to be one of the big names in high school curling throughout the 1976 season. Mark and his rinkmates captured top honors in the Christmas Bonspiel and went on to win one of the zone births enabling them to compete in the Northern School Boys playdowns. During the playdowns the team lost a close game to Harry Ainlay and then bowed to one of the out-of-town rinks and were eliminated. Harry Ainlay went on to represent Alberta in the National School Boys Tournament.

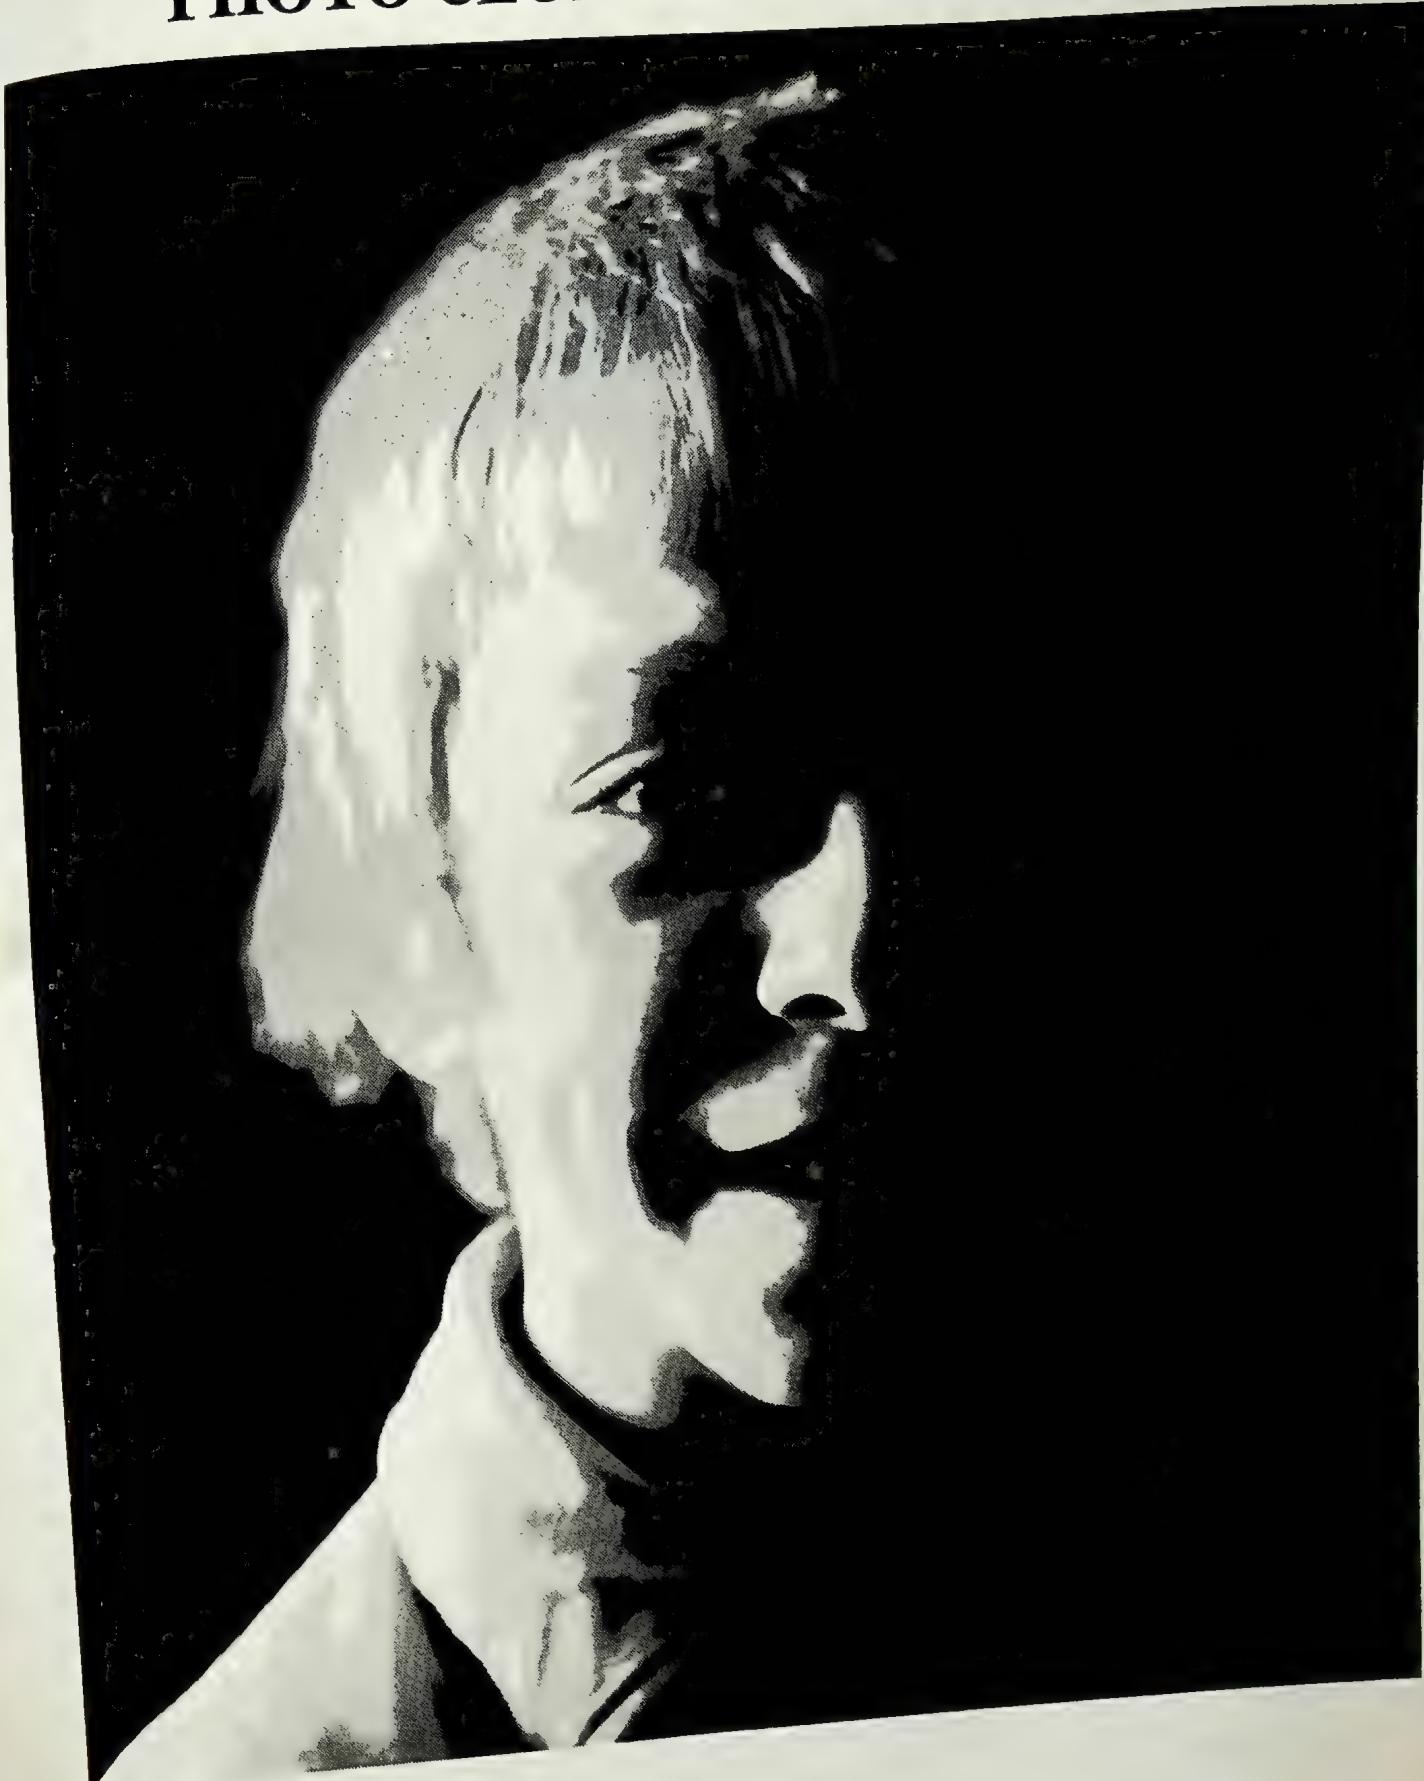

Back row (l. to r.) — Gary Campbell, Mark Johnson, Mr. Symington (coach).
Front row (l. to r.) — Wayne Whiteside, Don Cole.

The second representative from Jasper Place included some curlers who were showing considerable promise and for this reason it is regretable that 1976 will go down as the year that High School Boys curling came to an end. Alberta finally gave in to the wishes of the other Provinces and removed the regulations stipulating that boys must be under 19 and attend the same school. In future the competition will be rated as a junior tournament allowing all curlers, both in school and out, to compete as long as they meet the age requirement.

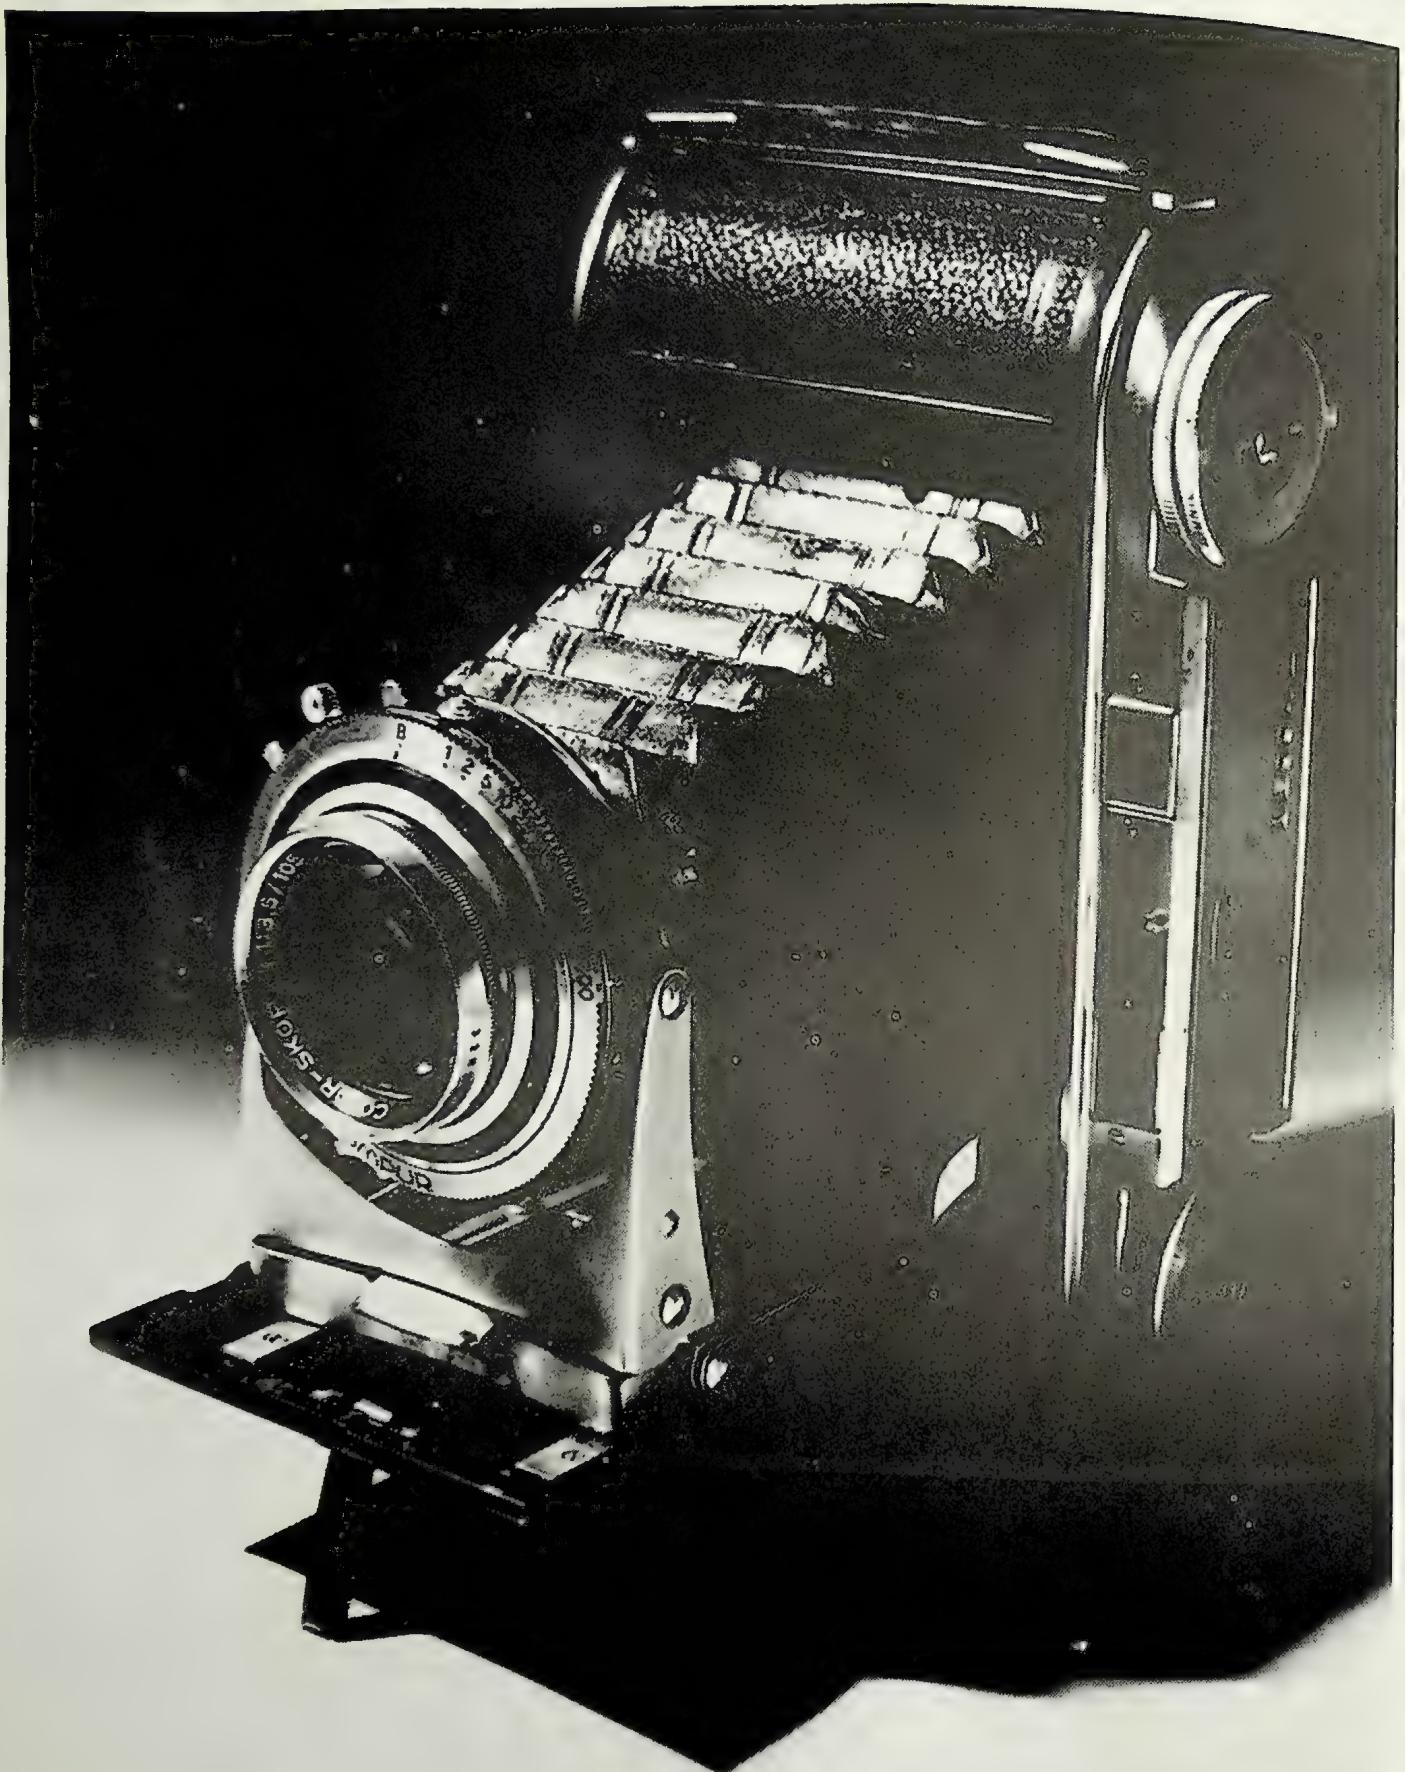

Back row (l. to r.) — Bruce Duvander, Don Wilson, Mr. G. Symington (coach).
Front row (l. to r.) — Doug Kelland, Dan Laurie.
